Sub: Regarding National Education Policy Draft – 2016.

Your Excellency / Hon'ble Minister,

I have gone through the "National Education Policy Draft – 2016". It is deadly against Preamble of our Indian Constitution itself.

Therefore I strongly oppose it.

Thanking You,

Yours Sincerely,

Sub: Opposing the "National Education Policy Draft – 2016" – reg.

Your Excellency / Hon'ble Minister,

I thoroughly read out and understand the Draft of National Education Policy 2016. I consider that it is anti constitutional and against the secularist and pluralistic heritage of India.

Hence, I suggest you not to implement this National Education Policy.

Thanking you,

Yours truly,
